

## All dancers must follow our IN and OUT process.

1. Enter through Main Entrance ONLY (studios 1-4).
2. Studio 5 has its own entrance and exit through the same door.
3. Hand sanitize when you enter the building.
4. Proceed straight to your studio and put bag in cubby.
5. Make all attempts to avoid congregating and maintain social distance.
6. Find a box to stand in and wait for class to begin.
7. When class is over, gather belongings and exit to your studio's assigned exit.
