

Competition Teams,

Thank you for taking the time to offer feedback on what competitions you'd like to attend this upcoming season. We took several details into consideration when making selections, including our Eminence teams and the convenience it would offer having everyone in the same place and all coach's ability to be able to travel.

Note: We will be attending Radix (March 27-29 - Santa Clara, CA) as teachers. Please let us know if you would like to attend with us. If we get enough dancers from any given team, we will compete!
